Appointments: A minimum charge will be made for failed or canceled appointments without prior notification of 24 hours. This fee covers only a portion of the overhead costs (such as salaries, electric, heat) that are incurred whether you make your appointment or not. Once your appointment is scheduled, please keep in mind this time has been specifically reserved for you. We schedule only **one** patient at a time in order to better serve you.

Insurance: To avoid misunderstanding regarding dental insurance, we would like our patients to know that all professional services rendered are charged directly to the patient, and that patients are personally responsible for the payment of all fees. We will prepare the necessary forms or reports to help you obtain your benefits from your insurance company(ies), upon receipt of full (or partial) payment of your bill. We do not provide our services on the basis that insurance companies will pay all our fees.

Delinquent Accounts: Any account with an unpaid balance remaining beyond 90 days from the time the service was rendered, is subject to interest charges of 1.25% per month. Accounts that are turned over to a Collection Agent will also be responsible for any additional costs incurred by utilizing their services.
